NMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

=====:0:=====

Mis. Petn. No. 16 of 38-39.

Petitioner:-

Tafa Vehkatachallam, residing at Mudimadagu Village, Rayalpadu Hobli, Srinivasapur Taluk.

Subject.

Regarding the confirmation of the Tafa Service Inam land, Survey No. 1, 204, and 197/3 of Mudimadagur Village, (granted as inam to his grand-mother Suri and others for services in Channarayaswami Temple of the Village) on payment of full assessment cancelling the inam tenure.

Facts of the case.

That in the year 1873 the lands in question were granted as inam in the name of the petitioner's grand-mother Suri and others (copy of the title-deed enclosed) for rendering Tafa Service in the temple of Channarayaswami of the Village subject to payment of quit rent. After the abolition of the Tafa Service in the temple, the petitioner began agitating for the confirmation of the lands to him after recovering full assessment but the question is still hanging in one form or the other even today. But the annual cultivation of the lands is being subject to auction every year and the petitioner himself is bidding in auction and enjoying the lands even now. At a certain stage in 1928 when the entire records went up to Government they seem to have held that the lands stodd in the name of the temple and not with the grantees and as such the heirs of the grantees cannot claim the lands to be confirmed to them. Accordingly, the petitioner

petitioner is put to unnecessary troubles and ship and is being harassed by the local Patel Shanbhogue who are at the bottom of all these troubles and who are fully aware of the facts of the case but who wantx that the petitioner should be deprived of the lands which is the only source of the family maintenance.

Grounds for consideration.

(1) Government Order No. 1560-71/Muz. 84-05-3 dated the 10th April 1909 lays down that ~~xxxix~~ where lands or other inams if any have been specifically granted to any inviduals for Tafa Service and title-deeds have been issued in the name of such individuals, the Government direct that such inams be confirmed under Rule 8, Clause (f) of the Inam rules to the holders thereof as permanent and alienable property subject to the payment of quit rent as laid down therein. The quit rent thus imposed will be credited to Government.

(2) That the title-deeds granted in 1873 is proof positive to show that the inam lands in question were granted specifically in the name of Suri and others, for Tafa service and not in the name of the temple as has been concluded in July 1928. Hence the order of July 1928 requires to be modified.

(3) That the grand-mother of the petitioner has by a registered will dated the 4th July 1920 made over the property in the name of the petitioner for ~~xxx~~ enjoyment (copy enclosed). Thus, the petitioner is the only heir to Suri and others.

(4) The petitioners begs to state that the statement given by him and the reports to the local officers and recommendations made by the then Sub Division Officer and the Deputy Commissioner in May 1928 may kindly be perused which substantiate the fact that the inam lands stood in the name of the grantees and not of the temple and the same may be confirmed to the petitioner.

(5) The petitioner submits for the kind consideration of the Benign Government that in ever so many cases of the kind the inam tenure of the lands has been cancelled and the lands confirmed to the heirs of the grantees on payment of the full assessment and why an exception has been made in the case of the petitioner is not clear though it is borne out by facts the title deeds and the recommendations of the local officers.

(6) Under the circumstances, the petitioner humbly prays that the entire records may be called for and perused and justice done to him by confirming the lands to him on payment of full assessment. For which the petitioner shall remain ever grateful.

*(Original title deeds and the will-deed will be produced if a hearing is given to him or asked to produce the same personally)

19-6-1939.
